

# WHICH SOVEREIGN TRILOGY CHARACTER ARE YOU?

**You're lost in the forest and your supplies are running low. What do you do?**

**A:** Forage for mushrooms, dandelion leaves and other wild foods, then cook them up into something delicious.

**B:** Go hunting. I'm not the best shot, but I'm learning, and I'm sure I can make a meal of some critter or other.

**C:** I wouldn't be lost in the forest because I'd never go there in the first place. I have people to go to the forest for me.

**How would you describe your dress sense?**

**A:** I just wear whatever comes to hand.

**B:** Comfort is king.

**C:** I'm a total fashion victim; all flash, no comfort.

**Zombies are gathering outside your city. What do you do?**

**A:** Stay put and get ready to defend what's mine.

**B:** Run away somewhere safe, and convince my friends to come too. Better to fight our way out than to die stuck here.

**C:** Someone should do something about that. I mean, not me, but someone.

**If you were an animal, what animal would you be?**

**A:** A bee: useful and busy.

**B:** A wilful, ungovernable horse.

**C:** A cat: pure predator, no mercy.

**You find a piece of expensive-looking jewellery in the woods. What do you do?**

**A:** Hand it in to the proper authorities and hope they can reunite it with its owner.

**B:** Leave it where it is and walk on by. Hopefully the person who dropped it will come back and find it, but if not, why court trouble by getting involved?

**C:** Pocket it myself. It'll look better on me than it would on whoever dropped it, anyway.

**Your city is about to be invaded and its defenders are offering to train citizens to help.**

**What do you do?**

**A:** Take up the offer. I want to be useful, and I want to be as strong as I can be.

**B:** I'll help in the fight, but I can train myself, thanks. I'm not putting my life in the hands of the military.

**C:** That sounds like it'll involve work. Hard pass.

**Your fairy godmother appears and gives you one wish. What do you wish for?**

**A:** A gardening apron with pockets.

**B:** Nothing. Fairytales aren't real and this would never happen.

**C:** I don't know, a pony? I get everything I want just by asking for it anyway.

**You think you're in love, but you can't work out how to tell the other person how you feel. What do you do?**

**A:** Stay quiet and hope that one day they might return my feelings and tell me so.

**B:** Ask a friend for advice.

**C:** Obviously, they must love me back, so I'll act accordingly and assume they'll welcome my advances.

**The Empress of your city confers a special honour on you. How do you react?**

**A:** I'm pleasantly surprised and quietly hopeful. Does this mean she accepts me?

**B:** I'd rather not draw attention to myself with a grand ceremony, so if I can, I decline.

**C:** Of course she does. It's only what I deserve.

**If the world as you knew it was ending in twenty-four hours, how would you spend your last day?**

**A:** In the outdoors, reading a book and enjoying nature.

**B:** Hanging out with my best friend.

**C:** Partying, the harder the better.
